

Lavasa organizes counseling sessions for Local youths

Lavasa, (Dist: Pune), September 27, 2012: Continuing with its commitment for the local community engagement, Lavasa Corporation Ltd (LCL), yesterday organized a counseling session for SSC students in the neighboring villages. The expert counselors advised students on how to have an approach towards studies & how having knowledge of English language will be important for their future careers.

The program was conducted at Shree Shivaji Veer Baji Pasalakar High School, Panshet. Over 120 Students from neighbouring areas of Mulshi, Panshet, Varasgaon, Pirangut and Paud participated the session.

The surrounding areas of Lavasa- India's first planned hill city- has many Marathi medium schools. The student community of these schools is often deprived of quality counseling on approaching further studies and English as a language. "As most of the students in standard 10th get confused about further studies, which are in English, there is dire need to conduct counseling sessions about vocational prospects for these students. This was the focus of the session as well," said **Mr C. D. Chavan, principle of Shree Shivaji Veer Baji Pasalkar High School.**

The counseling session was organised by the community development department of Lavasa Corporation. Rajesh Nivgune – Member, Panchayat Samiti, Velhe, Pune, Balasaheb Deshpande – President, Parents and Teachers association and Vilas Taru – Ex-Sarpanch, Panshet were also present on the occasion.

Lavasa Corporation Limited in continuous of local community development regularly conducts self development programs like imparting vocational training & career guidance for children from villages around Lavasa. The programs are meant to provide children with right knowledge & help them to boost their confidence.

About Lavasa:

Lavasa is free India's first hill city being developed by HCC (Hindustan Construction Company) where people can Live, Work, Learn and Play in harmony with nature. An inclusive city, based on the principles of New Urbanism, it is fast being developed over 23,000 acres of land. It is a 3 hours drive from Mumbai and 1 hour from Pune.
