

## **Notes related to the claims verification process for Homebuyers of Lavasa Corporation Limited**

This detailed note intends to provide clarity with respect to the claims verification process for homebuyers of Lavasa Corporation Limited ("Corporate Debtor" or "LCL"). The resolution professional ("RP") has adopted a fair and uniform approach in verification and acceptance of such claims.

1. The RP team is still in the process of receiving claims from various categories of creditors of the Corporate Debtor, as per the terms and provisions of the Insolvency and Bankruptcy Code, 2016 ("Code"). For the purpose of collating this list of creditors, a cutoff date of September 20, 2019 has been considered. Consequently, any claims and / or correspondences received post the aforesaid cutoff date have not been considered for the purpose of collating this list of creditors. Furthermore, please note that the list of creditors is still a work in progress and shall be updated appropriately from time to time.

2. The verification / rejection of the claims has been done on the basis of the proof / supporting documentation of said claims, as shared by the claimant, in accordance with the prescribed documents under the provisions of the Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulations, 2016 ("CIRP Regulations"), and corroborated from the records of the Corporate Debtor and books of accounts.

In case of inadequate, inconsistent or no proof of claim being provided by a claimant (such as no / incomplete supporting documentation, no claimed amount mentioned in the form / declaration, mismatch between overall claimed amount and claim components etc.), the RP team has reached out to claimants with appropriate clarifications; meanwhile, reliance has been placed on the records of the Corporate Debtor for verification of said claims (as per point 2 above). Certain claimants have either not provided relevant contact details or provided incorrect / incomplete contact details and endeavors are being made to reach out to such claimants for appropriate clarifications.

Certain claimants have submitted multiple claim forms (e.g. same form and claim details submitted more than once, multiple revised forms with edits to the claim details etc.). In such cases, these claims have been considered on the basis of the nature of debt, after perusal of the supporting documents made available. Further, for claims where no clarity emerged post review, appropriate clarifications have been sought from the claimant.

Certain claimants have submitted claims under incorrect type of form, adjudged post review of the claim details and supporting documentation – e.g. operational creditors filing Form CA. Such claims have been categorized under the appropriate creditor category as per the provisions of the Code for the purpose of verification and collation of the list of creditors.

### **3. Homebuyers who have received possession**

In case of homebuyers who have received possession and have submitted claims on account of service/ maintenance related issues, such claims have been classified as operational debts as this is a claim in relation to provision of services and therefore falling within the definition of operational debt in terms of Section 5(21) of the Code.

The RP team has reached out to such claimants to file Form B for such cases. The RP team has verified the supporting documents submitted for claims towards repairs and rectification, inter alia to ascertain if the claim for such repairs and rectification falls within the defect liability period as per the relevant agreement to lease. Further, where the repairs are claimed within the defect liability period, we have sought technical assistance to validate the quotations and invoices and assess the amount of repairs for such claimants. We have asked for clarifications and additional documents from the claimants where the documents already submitted are insufficient to substantiate the claim amount.

Further, for those homebuyers who received possession later than the committed possession date who have claimed interest for delayed possession, the interest is being considered at a uniform rate of 12% in accordance with the agreement to lease entered into with LCL. This interest payable has been calculated for the period as specified in the agreement to lease entered into with LCL.

### **4. Homebuyers who have not been granted possession**

Homebuyers who have not been granted possession would be characterized as financial creditors as their claims would fall within the definition of a financial debt set out under the Explanation to Section 5(8)(f) of the Code whereby any amount raised from an allottee under a real estate project is deemed to be an amount having the commercial effect of a borrowing. Similarly, homebuyers who have withdrawn from the project and have sought a refund of the amount on account of delayed possession (including by reliance on a RERA order) in terms of Section 18 of the Real Estate Regulatory Authority Act, 2016 will also be characterized as financial creditors as their claims would fall within the definition of a financial debt.

As part of the verification and admission of claims of such homebuyers, the following approach is followed by the RP team with respect to claims by homebuyers who have not been granted possession of houses as on the insolvency commencement date i.e August 30, 2018 ("Insolvency Commencement Date"):

(i) Captured information of the claimant as per the form and documents submitted. Detailed bifurcation of the amount claimed has been made by the

(iii) Checked the payment receipts for the purpose of verifying the amount received from the homebuyer. The Agreement value and amount received from the claimant is also reconciled with the records of the Corporate Debtor;

(iv) The delayed interest is calculated in terms of Clause 9.1 and 9.3 of the standard Agreement executed between Lavasa and individual homebuyers, which states that if there is a delay exceeding 3 (three) months in handing over possession for the reasons solely attributable to Lavasa, then in such an event Lavasa will pay interest for the period commencing from the date of expiry of the said period of 3 (months) till the date of handing over possession of the said Apartment to the customer. Clause 9.1 of the Agreement specifies the period within which possession is to be given to a customer. Delayed interest has been calculated by the RP team by considering a uniform rate of 12% p.a. to avoid any complexity arising on account of the computation of the interest rate based on the fluctuating cash credit rate. Thus, interest is calculated at the rate of 12% p.a. from promised possession date (24/30 months) as mentioned in Clause 9.1 of the Agreement up to Insolvency Commencement Date. Where the Agreements are not registered but allotment letters have been given to the homebuyers by the Corporate Debtor, delayed interest is calculated @ 12% p.a. from 30 months of booking date up to Insolvency Commencement Date;

(v) The claims are admitted by the RP team only for the principal amount and delayed interest claimed by the homebuyer. In case of any discrepancy between the details of a claim, as provided by the claimant and the records of the Corporate Debtor, the RP team has primarily relied upon the records of the Corporate Debtor. Other costs like taxes, stamp duty, registration charges claimed are statutory dues which are to be paid to authorities and hence the same have not been admitted by the RP team;

(vi) Specifically in relation to homebuyers who have withdrawn from the project, details of entitlement to compensation is available with the Corporate Debtor ("Customer Report"). The Customer Report received from the Corporate Debtor contains details of the agreements including date, agreement value, promised possession date, amount received till date including taxes, stamp duty and registration charges and interest computed on the instalments made towards principal amount (including taxes, if any) by the home buyers. This report contains details for all the homebuyers. RP team has also validated interest amounts reflecting in the Customer Report on test check basis to verify the accuracy and correctness of such interest amounts. This Customer Report has been made available to all resolution applicants through the virtual data room as well.

5. In terms of the provisions of the Code, homebuyers being financial creditors shall be members of the committee of creditors ("CoC"). The voting share of such homebuyers who have not been given possession in the CoC shall be in proportion to financial debt owed to such homebuyer, as a financial creditor as a percentage of the total financial debt of the Corporate Debtor in terms of Section 5(28) of the Code which defines voting share. For the purpose of calculating financial debt of a homebuyer, the principal amount (excluding taxes, stamp duty and registration charges if any) paid till the Insolvency Commencement Date and interest on the principal amount till Insolvency Commencement Date is considered.
